

[Download Xforce Keygen Advance Steel 2009 Keygen](#)

The image shows a screenshot of the Autodesk Licensing - Activation Options dialog box. The dialog box has a title bar that reads "Autodesk Licensing - Activation Options" and a header area with the Autodesk logo and "CANDELapro©". The main content area is titled "Product License Activation Options".

On the left side, there is an overlay window titled "X-FORCE" with a purple and black background. It contains the text "Autodesk 2013 products" and two input fields: "Request:" with the value "A73U W226 X58N 452S UUE8 K9XA XLDG 5W7Z" and "Activation:" with the value "789352T88 1F0V P2DANC 1PNJ8D6TAX 1GNSGATW0XVE3H0FF YNWTZ". Below these fields are three buttons: "Patch", "Generate", and "Out".

The main dialog box displays the following information:

- Product: AutoCAD
- Serial Number: 666-69696969
- Product Key: 00000
- Request code: A73U W226 X58N 452S UUE8 K9XA XLDG 5W7Z

Below this information, there is a text block: "To activate your AutoCAD 2013 license immediately, please select 'Connect now and activate!' again. If you still experience problems during activation, and if you requested and received an activation code from Autodesk, select 'I have an activation code from Autodesk'."

There are two radio button options:

- Connect now and activate! (Recommended)
- I have an activation code from Autodesk

Below the radio buttons is a grid of 16 activation codes:

1 AHWZ	2 7S93	3 5ZTB	4 51FD
5 VP2T	6 XMCU	7 1PNJ	8 8D5T
9 TAX1	10 GR9G	11 A7W0X	12 KVE3
13 H7FF	14 YNWT	15 Z	16

Below the grid is a "Clear All" button. At the bottom of the dialog box, there are three buttons: "Back", "Close", and "Next".

Blue numbers 1 through 5 are overlaid on the screenshot to indicate specific steps or elements: 1 points to the Request code field, 2 points to the Patch button, 3 points to the Generate button, 4 points to the activation code grid, and 5 points to the Next button.
